Because of last month's sizeable turnout and strong support, we have searched and found an ideal place for the jazz concert/dance in May. This event will be held in the spacious and airy Livermore Pavilion which has an entire wall of sliding glass doors that open out onto the Livermore Deck and Stratford Gardens. Just look at these great features:

- Free, very convenient parking
 - Clean, modern facilities
 - Large, spacious dance area
- Eleven acres of gardens and historic buildings
- Only minutes from Hiway 101

Yes, we know it is on Mother's Day--all the more reason to get up a group of family and friends, bring some snacks and beverages, and make a jazz party day of it. Kids of all ages are welcome.
